Introduction

Pee Wee's at the Point

At Pee Wee's at the Point, our team is dedicated to making your corporate event, function, or conference dinner both memorable and stress-free. This Compendium has been designed to showcase a variety of food and beverage packages that reflects the produce, climate, and multicultural influences of the Northern Territory.

Our menus are seasonal and changes to individual menu items may occur during the course of the year without notice. We are happy to discuss customised food and beverage packages to suit your individual needs, please feel free to discuss this with the Event Coordinator or Event Manager.

All function menus are based on alternate service and are complemented by a four-hour beverage package. For functions larger than 50 guests, we ask that organisers arrange allocated seating for all attendees, either per table or per individual seat. This ensures a smooth experience and helps us accommodate dietary requirements effectively.

Dietary requirements can be catered to with prior notice.

Should you have any further queries please don't hesitate to get in touch.

If your dietary requirement doesn't fit within the proposed menu, you may be served a generic dairy free, gluten free, nut free, vegan meal due to the difficulty in catering towards multiple individual requirements. Please discuss your dietary requirements with the Event Coordinator or Event Manager for any concerns.

All dietary requirements are required 10 business days prior to your Function.

Please note that whilst Pee Wee's will endeavour to accommodate all dietary requests, we cannot guarantee complete allergy-free meals due to the potential of trace allergens in the working environment and supplied ingredients.

Our kitchen handles common allergens, including (but not limited to) nuts, shellfish, gluten, dairy, and eggs. For guests with severe or anaphylactic allergies, we strongly recommend assessing your personal level of risk before consuming any food prepared on-site, as cross-contamination may occur despite our best efforts.

Guests with a severe (anaphylactic) allergy are required to inform the Event Coordinator or Event Manager in advance and carry their own EpiPen on the night. Depending on the specific allergen, we may be unable to accommodate certain anaphylactic allergies, and each request will be considered on a case-by-case basis.

Allocated seating

For any functions larger than 50 guests, we require organisers to arrange allocated seating for all guests. Guests can be allocated per table or per individual seat. This helps alleviate any confusion with regards to accommodating dietary requirements.

A Children's Package is available for \$65.00pp. This includes house baked bread, a main meal, plated dessert and soft drinks package for 5 hours. Teens are welcome to be included in the Adult Package, with a soft drink component only. Please discuss pricing with the Event Coordinator or Event Manager. Suppliers

All suppliers are required to contact the Event Coordinator or Event Manager at least 2 business days prior to your event to arrange access to the venue, or in regard to any set up requirements. The vast majority of our guests are very considerate of their environment and fellow guests. On occasion however, some guests may over indulge and it may be necessary for staff to enforce policies such as the right to refuse service, in accordance with Liquor License Act of the property. If need be, eviction from the premises will occur as a last resort.
